GPE signs agency agreement with Danash in Beirut

Danash Contracting and Trading Co. is one of the largest independent corporate in the contracting sector within the Lebanon, KSA, GCC and MENA Region. DANASH Contracting & Trading Company serves a wide range of industries: Group of Corporates, Buildings, Contracting and Trading Industrial, Government sectors and Private sectors, Infrastructure and Constructing. We have been in business for more than 60 years and have done Highest Quality Projects.

KLEIN – Concrete Pumps Made in Germany

After all major pump manufacturers in Germany have merged with Chinese companies, KLEIN GmbH is the only company manufacturing his pumps in Germany. Highest quality combined with the latest technology ensuring a trouble free production for our clients. GPE will provide service and spare parts throughout the Middle East.

BIBKO – Market leader in Recycling machines

A flexible range of machines designed for medium to large plants (< 5 mixer trucks) which produce concrete, mortar or anhydrite. The ComTec type incorporates a large washing chamber that allows fast discharge of material into the receiving hopper. It is equipped with a patented design discharge conveyor that is available in different lengths to offer material storage to suit your requirements. Alternatively is the ConRec screw type system, developed for the recycling of waste concrete and washing water in small size and mobile plants (1 - 5 mixer trucks).

NEW BRANCH in the Kingdom

GPE is in the process to open a branch in Saudi Arabia. To satisfy the customer needs in terms of service and availability GPE will shortly open a branch in Riyadh. A team of technicians will provide after sales service to all GPE clients.

Ramadan Kareem

With best wishes to all our Clients, Partners and Friends.

Thank you for your attention
